**Field of Membership:** We are currently completing the fourth year after having expanded our field of membership. I encourage all members to continue to promote the credit union to fellow Wharton Countians to join the credit union.

**Change in Service:** The Credit Union is now offering to its members share drafts (checking) and debit card services. We also have a new website, which allows our members to access their accounts through membertnet. This service is available to all members and offers new abilities to work with their accounts. Visit the website to get more information and set it up.

**Membership Drive:** The Credit Union is having a membership drive lasting through January 31, 2024. A drawing will be held at the Annual Meeting to determine the winner. The names of new members and those of the nominating (referring) member will be eligible for the drawing. One name will be drawn and that lucky member will **have \$100.00 added** to his/her shares account.

**Share Withdrawals:** Please call ahead at least two business days for withdrawals over \$5,000.00. Mail leaves the credit union at 4:45, so if you are requesting a withdrawal to be mailed, you must call before 4:45 pm in order for us to get your check in the mail. We begin our system backup at **5:00 pm** and cannot conduct any more transactions.

**Dividend Rate:** The dividend rate paid is **0.10%** for accounts less than \$5,000, **0.125%** for accounts from \$5,000 to \$24,999.99, and **0.15%** for accounts \$25,000 and above.

**Risked-Based Lending Policy:** The Credit Union has established a risk-based lending program, which includes a credit scoring and pricing model, which will reward the members based on the degree of individual credit risks. The Credit Union also desires to reward its most credit worthy members with a preferred loan commitment utilizing a tiered interest rate structure while attempting to assist those members who may have weaker credit. Both the credit scoring and pricing models will be used in determining the loan decision and the initial rate for the borrower. Call the Credit Union and talk to our Loan Officer to determine “your” qualification. Ask for Margaret.

***Our Rates are Really Good. Now is a great time to talk to us about that car loan.***

**Vehicle Loans:** Check with us first if you are in the market for a new or late model used vehicle. We are offering very competitive rates (as low as 3.75% for up to 84 months on new vehicles and 4.25% for used vehicles.....and you can delay the first payment for up to 90 days) for qualified borrowers. We will do our best to earn your trust and meet your borrowing needs. Come by and talk to us and enjoy a cold soda-pop or water while we process your loan application.

***Ever find yourself in a financial pinch with your loan payments? Ask about our “Miss A Payment” program. Your credit union will make every effort to lighten your debt burden.***

**Shares Secured Loans and Emergency Loans:** The rate for **Shares Secured Loans** is 3.10% and can be financed up to a maximum of 10 years. You must have shares in your account equal to or exceeding the amount you want to borrow. The rate for **Emergency Loans** is 18%. Emergency Loans in an amount up to \$750.00 must be repaid in 10

months or less. Emergency Loans ranging from \$751.00 to \$1,500.00 must be repaid in 18 months or less. Payments must be payroll deduction or bank draft. The loan must be paid in full before another Emergency Loan can be granted. *If you have any questions regarding a loan please call and talk to our loan officer. **It really speeds up the process if you call ahead.** A copy of our Loan Policy is available at the Credit Union Office. Membership in the Credit Union does not guarantee a member a loan. A member must meet the loan qualifications. Loan eligibility is listed in the Loan Policies.*

**Scholarship News for 2023:** Two scholarships were awarded at the 2024 annual meeting. The students awarded the scholarships were: Luke Douglas Gibbs, from El Campo High School, and Savannah Paige Savage, from Wharton High School. Luke is the son of Marissa McCoy. Savannah is the daughter of Nolan and Bridgett Savage. The winners will receive half of the scholarship amount in the fall and the balance in the spring if he/she keeps his/her GPA at 2.50, or better, and shows proof of registration. The scholarships will again be awarded at the 2025 annual meeting. The scholarships will go to a member or a member's son, daughter or grandchild who is a current high school graduate with a 2.5 GPA or better with a Texas High School accredited with TEA. The winners will be determined at the Annual Meeting by a drawing. **The deadline for submitting is the last Friday in January.** Call the credit union office for an application and details. **Ask for Sandy.**

**In compliance with TAC Section 91.315:** We will have copies of the credit union financial statement, a summary of the most recent annual audit and verification, some board policies and copies of our most recent Internal Revenue Service Form 990 available upon request for members to review.
